League Pricing

The weekly pricing structure is:

Green Fee per Person	Cart Fee per Person	Prize Fund	Total Weekly Payment
\$16.00	\$7.00	\$4.00	\$27.00

League Size and Day/Time Offerings

- Limited weekly to the first 24 players on Monday, 24 players on Tuesday and 24 players on Wednesday.
- Tee Times assigned to each player will be 6:18 or 6:27 Monday; 6:18, or 6:27 Tuesday; 6:18 or 6:27 Wednesday.
- Each week you can rotate to a different course than the one you played the week before. We will utilize the South, North and West Courses.
- The league will last 14 weeks, from May 17th through August 4th. The regular season will be defined as the first 10 weeks, the playoffs will be the last 4 weeks.

Tees

We recommend that each player play the tees that will provide them the chance to be the most competitive on a week-to-week basis. They must stick to the same tees they choose to play on week 1. Here are the course recommendations based on each player's driving distance:

- Black Tees – 260 yards and above
- Blue Tees – 225 yards to 259 yards
- White Tees – 200 yards to 224 yards
- Gold Tees – 175 yards to 199 yards
- Red Tees – 125 yards to 174 yards

Quota System

The quota system is the way we score this year, and will allow us to make a level playing field each week. Each team will play on week 1 to establish their own quota for week 2, which is the first week of competitive play. If a team or player fails to play on week 1, each player will be assigned a quota of 18 for the first week of competitive play. Instead of strokes, players will mark down scores based on the table below:

Bogey	1 Point
Par	2 Points
Birdie	4 Points
Eagle	8 Points
Double Eagle	16 Points

After the round has completed, the players will add up their points and then post how many over/under (+/-) the player is from their starting quota.

Each player's quota will then be adjusted for next week's play based on the information below:

If you shoot +1, E, or -1 to your quota: Same quota for the next week

If you shoot -2 or lower: Quota lowers by 2 for the next week

If you shoot +2, +3, +4: Quota rises by 2 for the next week

If you shoot +5, +6, +7: Quota rises by 4 for the next week

If you shoot +8, +9, +10 or higher: Quota rises by 6 for the next week

The main goal for each player is to get as many points over their quota as possible.

League Standings

At the end of each week, the player with the most points over their quota will win.
Here is an example of how a scorecard might look at the end of the round:

Hole #	1	2	3	4	5	6	7	8	9	Totals	+/-
Par	5	3	4	4	3	5	4	3	4	35	
Player 1(12)	2	2	1	2	2	4	1	1	1	16	+4
Player 2 (14)	1	1	1	0	1	2	1	2	1	10	-4
Player 3 (10)	2	2	2	2	0	1	1	0	2	12	+2
Player 4 (15)	2	2	1	1	2	2	1	1	0	12	-3
Team Quota (25)											

In the event of a tie, player quotas will still change week to week based on their individual scores, but the player will receive a tie in the weekly prize payouts.

Pace of Play

Sykes/Lady Overland Park Golf Club promotes a comfortable and fair pace of play that lets all of our players fully enjoy their round of golf. A normal 9-hole pace will consist of playing the round in 2 hours and 15 minutes or preferably less. Please be aware of your pace and always keep up with the group ahead of you. Ready golf rules should always be observed.

In the event of slow play or any other occurrences that need to be addressed, please call the golf shop immediately (913-890-1600) and ask to speak to the Duty Golf Professional. We want to make sure that you are completely satisfied with your round after completion and we will handle the situation as soon as possible. Please, do not take matters into your own hands as this could make the situation worse!

League Rules

Each player will play their own ball until the ball is holed out. All USGA rules will apply. Each player will be responsible to putt everything out and to play the ball down.

The goal is to get as many points over your quota as possible.

In the event of a rainout, the competition will be cancelled regardless of your position on the golf course. Quotas will carry over to the next week without changing. Rainout notifications will be made as soon as possible.

The highest score a player can receive on a hole is a double bogey. The hole will end after a double-bogey score is attained, and the player should pick up their ball regardless of location and mark down a hole score of 0.

All rulings and disputes will be handled by the Duty Professional. Please call the golf shop 913-890-1600 and ask to speak to the Duty Professional to handle all disputes.

Lastly, and most importantly HAVE FUN! While having a competitive side to this league, it's mostly for enjoyment. Have a drink and food after the matches with all members and relax.

Prize Payout

The payout percentages depend on how many players play each day. We use the same calculations that the Midwest Section PGA does in their tournaments. Prize money is paid out in credit book winnings that can be used for anything in the golf operations at either Sykes/Lady Overland Park or St. Andrews Golf Club.

Weekly Sign-Up

E-mails will be sent out with results on Thursday by 5 pm. It will also be the requesting sign-ups email for the following week. All sign-ups will be through Sign-Up Genius.

Turning In Scores

Please return scorecards to the Pro shop right after your round. Or take a picture and email the scorecards to Josh White: Josh.White@opkansas.org.
