

SYKES LADY

OVERLAND PARK GOLF CLUB

League Members:

Welcome to the 2021 golf season at Sykes/Lady Overland Park Golf Club! 2020 may have presented its challenges, but it was great for golf. Not only did we see courses all around town filling up their tee times, but we hit record numbers at both Overland Park golf courses.

To kick off the New Year we have made a few changes to our staff. Myself and Assistant Professional, Josh White moved over from St. Andrews. I spent eight years at St. Andrews and Josh joined our team in February of 2020. We are both looking forward to this new opportunity and working with returning Assistant, Justin Milligan and everyone at Sykes/Lady.

2021 Staff:

It was a trying season last year for everyone, but we are glad we were able to remain open and provide a place for people to get away, be outdoors and stay active. We are hopeful the pandemic will end during the 2021 golf season. Thank you for being flexible as we modified our procedures last season. We will continue to keep everyone informed as we navigate our way through the pandemic this year.

On behalf of our staff at Sykes/Lady Overland Park Golf Club, I want to thank you for participating in the Men's League and for your support of the Overland Park Golf Division. We will continue to make it our goal to provide the best experience possible each time you visit. We hope everyone has a fantastic 2021 season and look forward to seeing you soon.

Sincerely,

Jennifer Walker, PGA
