Scoring / Prize Payout

Scorecards are to be turned into the Pro shop immediately following your round or you may take a picture and email the scorecards to Assistant Professional, Jared Way: Jared.Way@opkansas.org.

Payout percentages depend on how many players play each day. Prize money is paid out every Sunday in credit book winnings that can be used for anything in the golf operations at either Sykes/Lady Overland Park Golf Club or St. Andrews Golf Club.

Quota System

The quota system will allow us to make a level playing field each week. Please give me a 9 hole round that you have played this year. I will set up a quota from that score for the first week.

Instead of strokes, players will mark down scores based on the table below:

Score	Points Total
Bogey	1 Points
Par	2 Points
Birdie	4 Points
Eagle	8 Points

After the round has completed, players will add up their points and then post how many over/under (+/-) the player is from their starting quota.

Each player's quota will then be adjusted for next week's play based on the information below:

If you shoot +1, E, or -1 to your quota: Same quota for the next week

If you shoot -2 or lower: Quota lowers by 2 for the next week

If you shoot +2, +3, +4: Quota rises by 2 for the next week

If you shoot +5, +6, +7: Quota rises by 4 for the next week

If you shoot +8, +9, +10 or higher: Quota rises by 6 for the next week

The goal is to accumulate as many points over your quota as possible.

League Standings

At the end of each week, the player with the most points over their quota wins. Here is an example of how a scorecard might look at the end of the round:

Hole #	1	2	3	4	5	6	7	8	9	Totals	+/-
Par	5	3	4	4	3	5	4	3	4	35	
Player 1(12)	2	2	1	2	2	4	1	1	1	16	+4
Player 2 (14)	1	1	1	0	1	2	1	2	1	10	-4
Player 3 (10)	2	2	2	2	0	1	1	0	2	12	+2
Player 4 (15)	2	2	1	1	2	2	1	1	0	12	-3
Team Quota (25)											

In the event of a tie, player quotas will still change week to week based on their individual scores, but the player will receive a tie in the weekly prize payouts.

League Rules

Everyone will play the Red Tees each week.

Each player will play their own ball until the ball is holed out. All USGA rules apply. Each player will be responsible for putting everything out and playing the ball down.

In the event of a rainout, the competition will be canceled regardless of your position on the golf course. Quotas will carry over to the next week without changing. Rainout notifications will be made as soon as possible.

The highest score a player can receive on a hole is double bogey. The hole will end after a double-bogey score is attained, and the player should pick up their ball regardless of location and mark down a hole score of 0.

All rulings and disputes will be handled by the Duty Professional. Please call the golf shop (913) 890-1600 and ask to speak to the Duty Professional.

Pace of Play

Sykes/Lady Overland Park Golf Club promotes a comfortable and fair pace of play that lets all of our players fully enjoy their round of golf. A normal 9-hole pace will consist of playing the round in 2 hours and 5 minutes or preferably less. Please be aware of your pace and always keep up with the group ahead of you. Ready golf rules should always be observed.

In the event of slow play or any other occurrences that need to be addressed, please call the golf shop immediately at (913) 890-1600 and ask to speak to the Duty Golf Professional. We want to make sure that you are completely satisfied with your round after completion and we will handle the situation as soon as possible.
